December 2007—Facility Being Erected

### Project Overview

Through the strong cooperative efforts of the Mifflin County Conservation District and Granville Township, construction began only three months after PennTerra Engineering, Inc. started the project's design.

PennTerra was involved throughout the construction phase of the project and the facility officially opened on October 15, 2008.

#### Services:

- Preparation of a Site Layout Plans, Utility Plans and Profiles, Industrial Circulation Traffic Patterns Plans and Profiles, and Detail Sheets showing all specific site, utility, drainage, and erosion and sediment control details.
