Job Position: Intern (Paid)

About: Become a part of Central Pennsylvania's leading land development civil engineering firm, regularly ranked as a “Top 100 Organization” by *Pennsylvania Business Central*. PennTerra Engineering, a well-established, team-oriented, and employee-owned firm, has opportunities for paid interns.

Description: The position requires some CAD experience. Interns will work with PennTerra design engineers to lay out and design residential and commercial land development projects for our clients. This includes, but is not limited to, lots, roads, parking areas, sanitary sewer and water systems, stormwater management facilities, and soil erosion and sedimentation control measures utilizing AutoCAD Civil 3D.

Qualifications: Applicants should be pursuing a degree in Civil Engineering, Architectural Engineering, Landscape Architecture, or a similar field. Applicants should be able to:

- Work In-Office a Minimum of 10 Hours Per Week
- Arrange Transportation to Office (Office on CATA’s K Bus Route)
- Work in a Team Environment
- Communicate Effectively
- Computer & Software Provided

Benefits:

- Hands-On Experience
- Real-World Application
- Exposure to Various Governmental Permitting Processes
- Apprentice-Level Coaching
- Potential Full-Time Job, Post-Graduation

A successful applicant will join a team that values employee’s contributions, encourages continuing education, and creates successful projects – literally shaping the community around us.

To apply, please send a cover letter, application (found at PennTerra.com/Careers), and resume to Careers@PennTerra.com.

Note: This job description is intended to provide a general overview of the position and should not be interpreted as an exhaustive list of responsibilities and qualifications. The company reserves the right to modify the job description as necessary.
