## **POSITIONS AVAILABLE**

### **Paid Internship**

Become a part of Central Pennsylvania's leading land development Civil Engineering firm. PennTerra Engineering, a well-established, team oriented, employee-owned firm has opportunities for Paid Internships.

#### **Description:**

The position requires some CAD experience and the designer to learn about designing residential and commercial land development projects including, but not limited to, lots, roads, parking areas, sanitary sewer and water systems, stormwater management facilities and soil erosion control.

#### **Qualifications:**

Entry level applicants should be pursuing a B.S. in Civil Engineering, Agricultural Engineering or Landscape Architecture.

A successful applicant will join a team that values employee's contributions, encourages continuing education and creates successful projects.
