

Advance Auto Parts, Manchester, PA

Project Overview

PennTerra Engineering was hired by Primax Properties, LLC, to obtain the land development approval for a new 6,895 SF retail store in Manchester, PA. The plan calls for the development of the 1.162 acre commercial site that was a vacant lot. The site contains 35 parking spaces. Zoning variance and Land Development Plan approvals were obtained in July 2014. Construction of the project was completed in December 2014. PennDOT permitted was handled through TRG, Inc.
