

Calvary at Harvest Field Boalsburg, PA

Project Overview

PennTerra Engineering has worked with The Calvary Baptist Church on the Planning and Development of the Harvest Fields Project. Phase 1 of the project includes a 600 seat worship center, a 100 seat chapel a nursery and Children's ministry facility as well as a Township Park and adequate parking for the Campus. Eventually, the Church will expand to 1500 seats and include office space for the Church and other non-profit businesses. PennTerra worked closely with the Church and the Township on the planning, permitting and development of the entire 100 acre parcel.
